

SPECIFICATION AMENDMENTS

Please amend the specification at page 1, line 12, by replacing "60/233,263" with
-- 60/230,263 --.

Please amend page 41 by adding at the very end, beginning on line 11, the following new
paragraph:

In the following claims, primed variables, *i.e.*, X' and n', may appear as substitutes for X
and n, respectively, in some of the chemical formulas shown above.
